Yolanda Colmenares de Arriola
Chair, Nominations Committee
Alliance of Pan American Round Tables

Dear Ms. Colmenares de Arriola:

We are pleased to inform you that on February 5, 2018, at the regular monthly meeting of the Pan American Round Table of Austin, the membership voted unanimously to nominate Sylvia Williams for the position of Director General of the Alliance of Pan American Round Tables for the biennium of 2018-2020.

Sylvia Williams has been a valued member of the Austin Table for more than 24 years. During this time, she has served in various capacities at the local, state and Alliance levels. As a former Table Director and Texas State Director, she has demonstrated great organizational skills and a strong commitment to the Pan American movement.

Within the Alliance, Sylvia Williams has been an outstanding officer in various important posts. She has served as director of Zone I, as Alliance Treasurer, and in this biennium, she serves as Associate Director General of the Alliance. Having worked diligently in these important positions, all the while continuing to be a valuable member of our local table and the state organization, we are confident that Sylvia Williams is the ideal candidate to serve as our next Director General.

We thank you for your consideration and ask for your support of our nomination of Sylvia Williams for Director General of the Alliance of Pan American Round Tables 2018-2020.

Sincerely,

Rose Ann Reeser
